Viva GTR with premium folding carrycot
(see p. 05)

Viva GTR with baby seat

Viva GTR combines flexibility and maximum ride comfort in a very special way. With folding dimensions of 69 x 58.5 x 31 cm, the Viva GTR and the seating unit fold up in an ultra-compact way, and at 12.9 kg is lightweight. Viva GTR is equipped with lockable swivel wheels that can comfortably handle any terrain. Viva GTR also lacks nothing when it comes to comfort. The seating unit is reversible and has a multi-adjustable backrest including reclining position.
